Before They Were Stars...

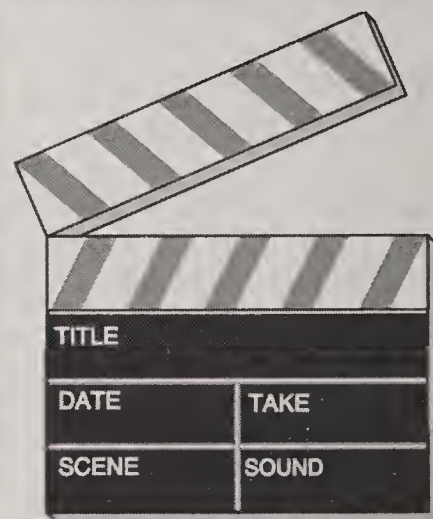

Senior Baby Pictures!

Each and every star and celebrity got their start somewhere. This holds true for all of our famous Seniors too! Before they ever graced the halls and classrooms of Weaver High, or ever dined in the cafeteria, or took French or Algebra they were already getting their photos taken.

We all know how much Weaver Seniors love to get photographed but this behavior started way back when their families made them stars in their own homes. No wonder they always have the perfect poses...they have been practicing them since birth!

Student Life

CT State Champions!

And the State Championship Oscar goes to...

The Girls Indoor Track Team!
Congratulations ladies!

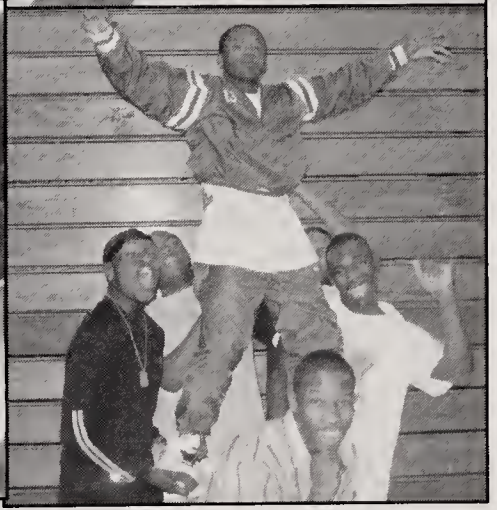

The amazing women of the Girls Indoor Track Team had another great season and took the championship for 2006. Sashauna Stewart had a personal best in the 55m hurdles and the girls 4X200m relay team of Christine Jones, Sashauna Stewart, Lisa Watson, and Crystal Davis took first place in their event. Sasha Saylor, Renee Thompson, Shaena Gray and Clarvine Sanon all contributed excellent times and scores. The championship title was the perfect ending to a near perfect season for the lady beavers!

Powder-Puff Football

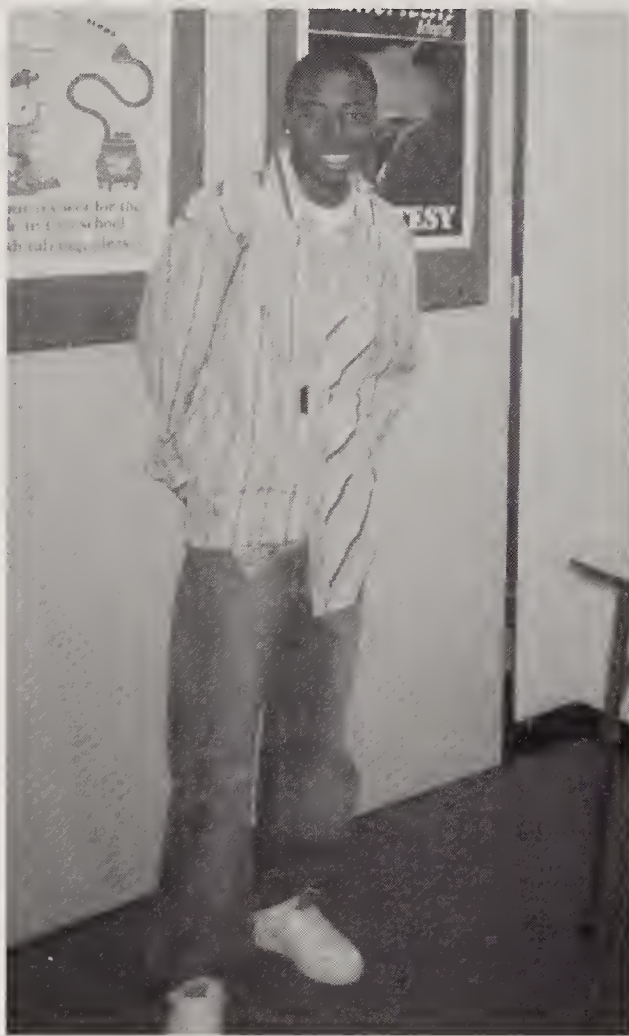

Everyone had fun but, as we can see Mr. Quinlin might be having too much fun... This was the Student Council's first fundraiser of the year and it proved to be a great success! They raised \$200 for the Cystic Fibrosis Foundation and the girls got a chance to show the football team a play or two. It was a great game and the upperclassmen girls proved they had what it takes with a dynamic team and big win at the end of it all.

The boys put on a great half time show - complete with a human pyramid or two!

Spirit Week

A Red Carpet Event...

These students sure clean up nice... looks like they know thing or two about style!

One of the best days during spirit week is always the School Spirit Day... the students always go all out and find unique ways to show their spirit and excitement for the school! Below some seniors are showing that they are the ones to beat when it comes to leading the school in spirit all week long!

Spirit Week

...All Week Long!

Who knew that pajamas could look so good in the halls and classrooms of Weaver High?!? With all those comfy pj's and Sponge Bob slippers it was surprising that no one fell asleep in class!

Tacky Day was also a big hit during Spirit Week. As you can see Latoya Perry, Ryan Williamson, Lena Kinsey, and Rochelle Lewis took advantage of the chance to show just how great looking tacky could be! ?

Staff vs. Varsity

The Weaver High Remake of a Classic...

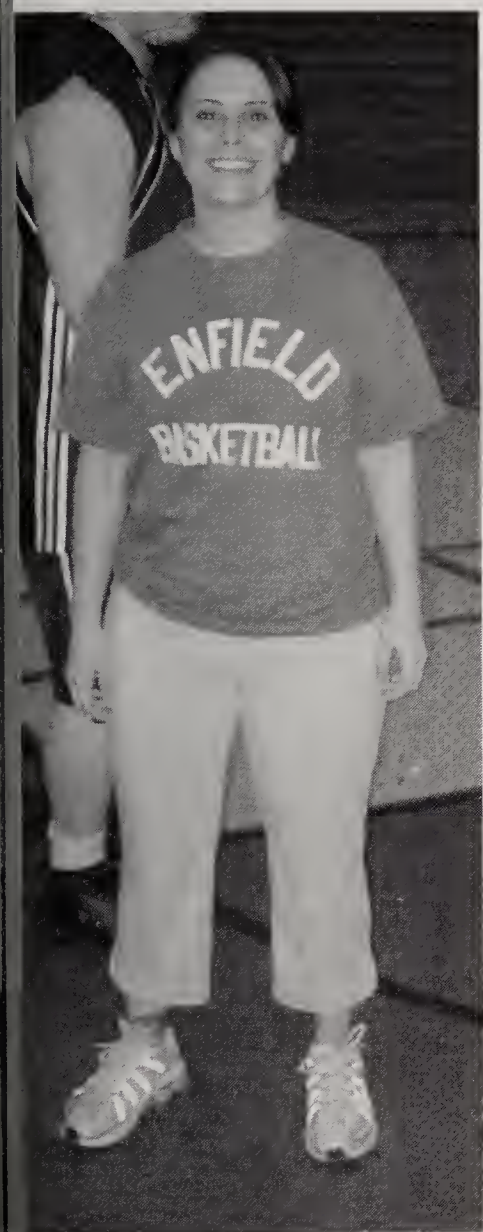

The date was March 16, 2005 and it marked the end of CAPT Testing for the year. At approximately 3pm the staff and students gathered in the gym for a celebratory match up of "old school" vs. "new school". Mr. Jihad was an excellent ref and he came dressed for the job! The varsity players were ready for action and a crowd had gathered court side to cheer on the old and the new! The staff had been practicing and were ready to "school the young ones in the game". So the line was clearly drawn at the start as both teams started to test each other out and show off for the crowd.

At the bottom left is Nelly taking a foul shot and bottom right is Diandria going in for a rebound!

Basketball Game

... Hoosiers - Hartford Style!

The staff had a secret weapon that proved very useful early on... Ms. Scialla sunk the first basket of the game, and it happened to be for 3 points! The staff was off to an early lead and ended the first half up by ten points. They were helped by the sheer size and force of Mr. Veazey and some great team work all around!

The varsity team had a great second half and fought back to within two points by the end of the game. Not to be outdone they had some excellent passes, some great shots and a dunk or two of their own! The final score saw a staff victory of 38-36. The game was a ton of fun for all involved and in the stands!

Junior Prom 2005

"Save the Last Dance"

The prom was better than anyone could have hoped for!
Even though everyone thought there was going to be a small
turn out... it turned out to be a night to remember.

Junior Prom 2005

"Save the Last Dance"

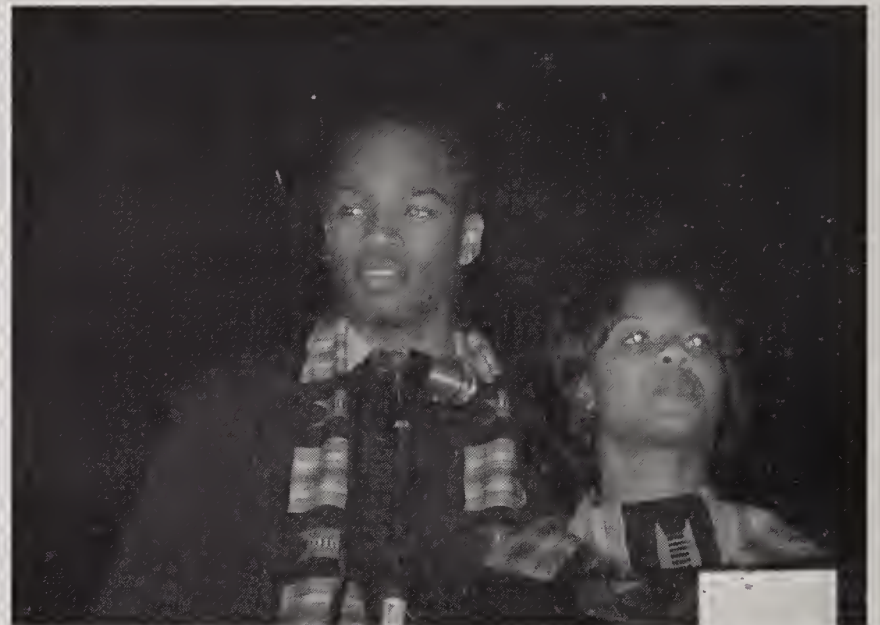

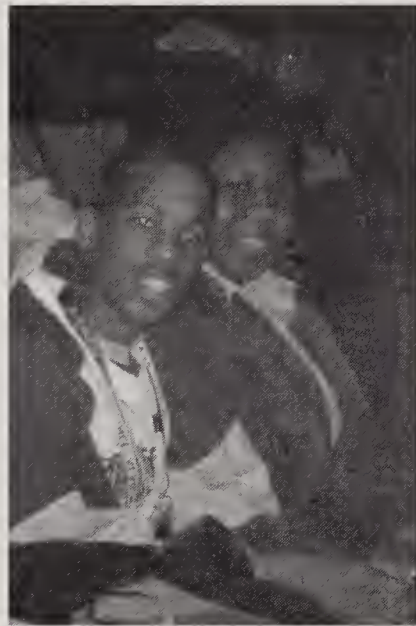

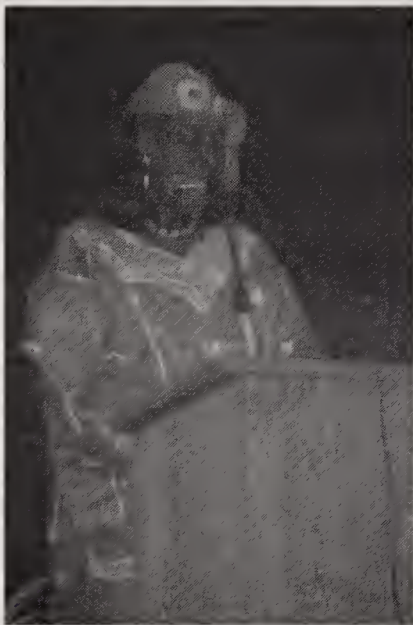

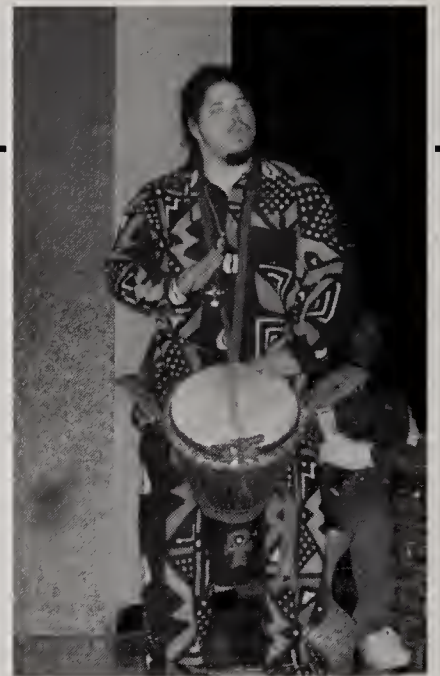

The day we all thought would never come!
Everyone looked fly and we all knew who was going to be
king and queen...
Even though the prom only lasted for one night it was a night
that everyone will never forget. It was a day that you got to get
dressed up and be who you wanted to be.

Black History Month

A Celebration!

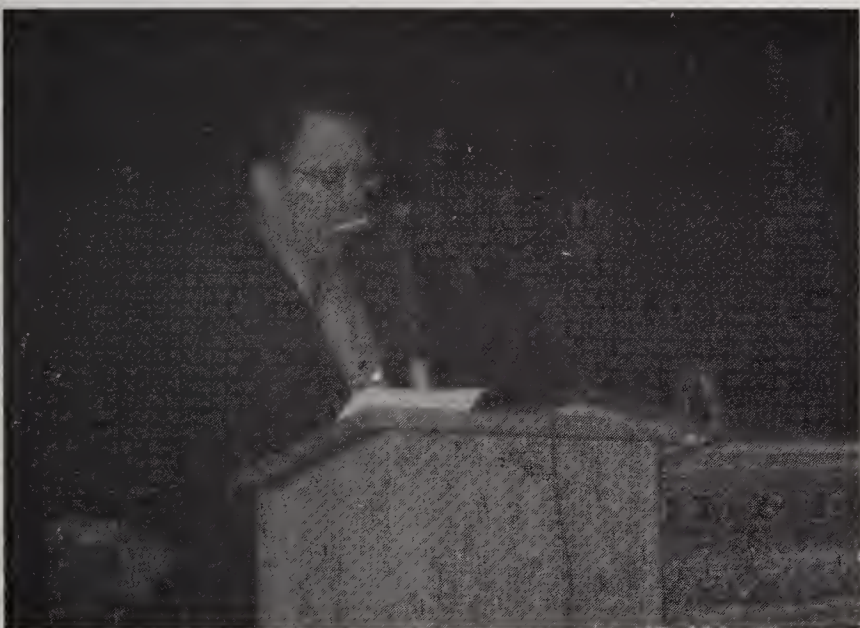

Jim Brown, a professional football player and actor, came to speak to the Weaver community this year for Black History Month. He capped off an exciting month filled with activities like a black authors book fair, discussions on hip-hop, African drumming demonstrations, and story-telling activities. Brown brought a positive message about being your best self to our students and focused on the positive of erasing racial stereotypes and working with the "human" race!

Black History Month

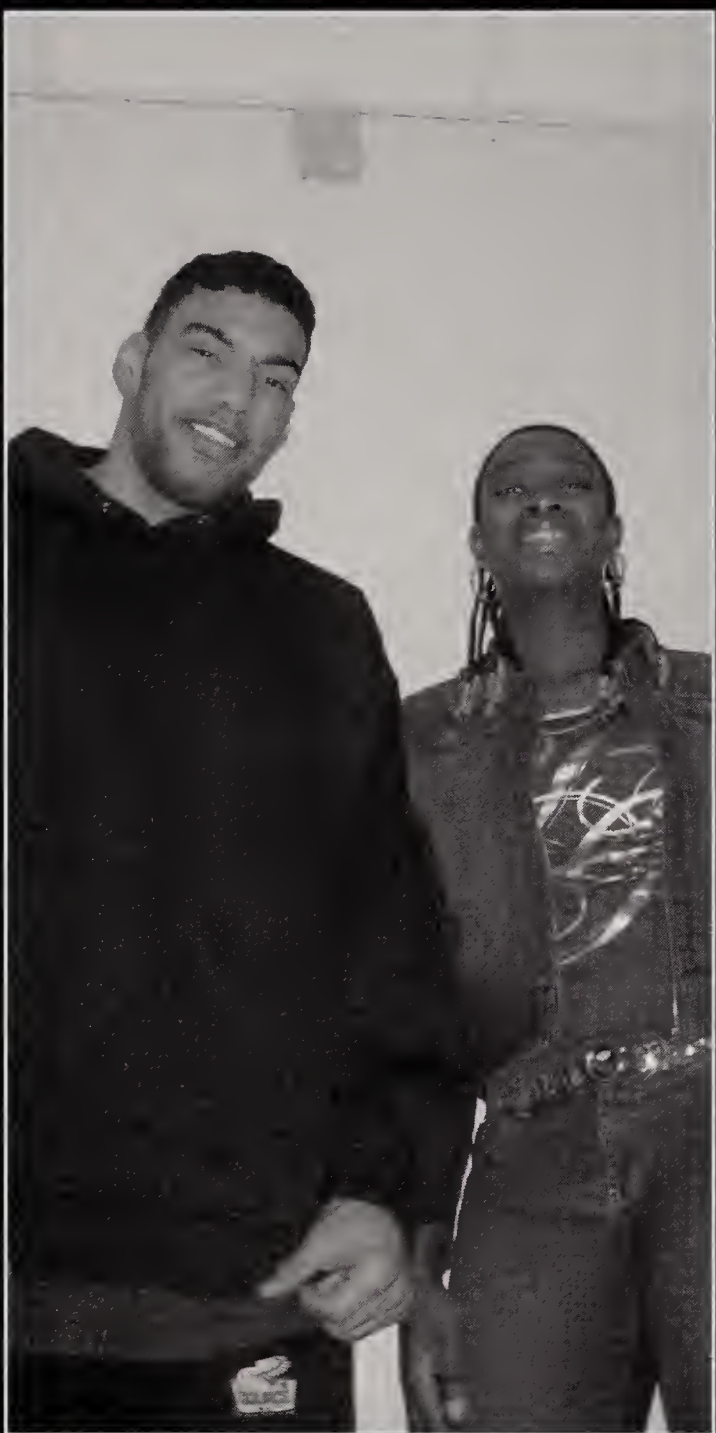

Elijah and Danielle served as masters of ceremonies at the event and Weaver was joined by Mayor Eddie Perez as well. He decreed a day in Hartford as Jim Brown Day in honor of Brown's willingness to talk with Hartford's youth. Ms. Sharp and her drama club performed an excellent tribute to Rosa Parks and had the audience on its feet in approval! It marked the end of a successful program.

Weaver Beavers

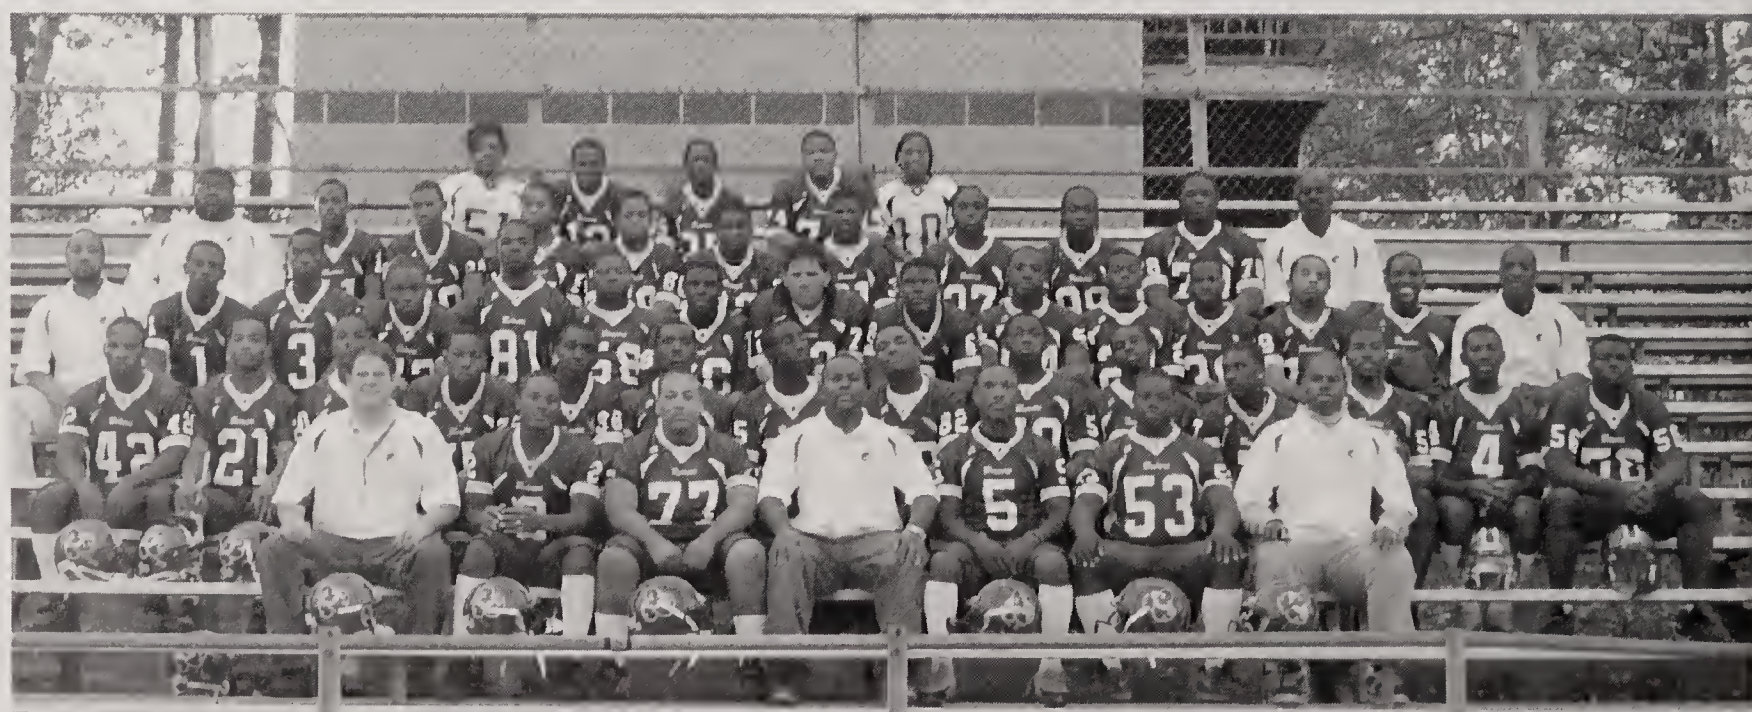

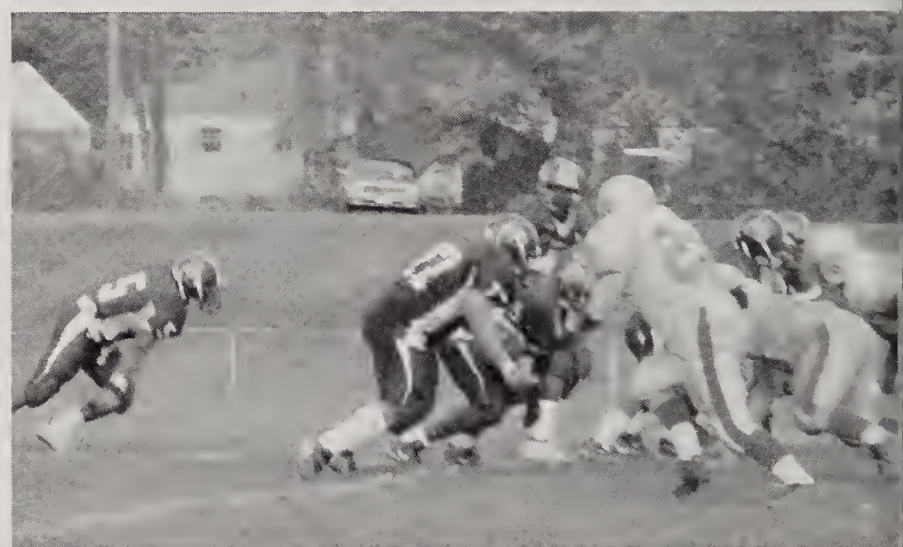

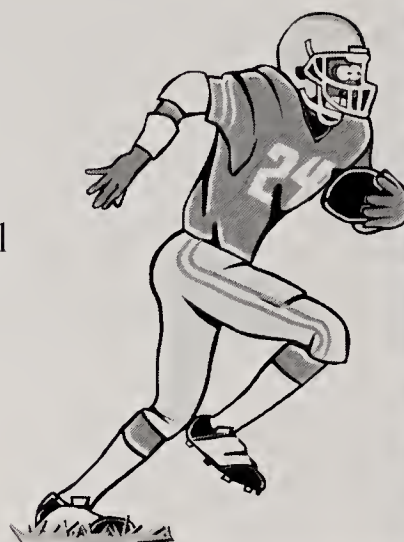

"Remember the Beavers"

Football

Our infamous football players never did and never will let us down. The Beavers were a strong team this year led by a powerful group of Seniors and promising Sophomores and Juniors. Coach Fleeting guided the team through a great season and made us all start chanting with pride:

"We are the beavers the mighty mighty beavers!"

"Wimbledon"

The boys tennis team looked great this season and worked even better as a team on the court! Some stellar seniors led the group this year including Kempton Miller and Oral Jumpp. Mr. LaPenna enjoyed coaching these boys and they gave him their best. Way to make Weaver proud boys!

Below we have some Tennis Beavers showing us they mean business!

Boys Soccer Team

There was never a doubt this year that the men of the Weaver soccer team brought tons of talent to the field. They run fast and play hard and were always fun to watch and cheer on!

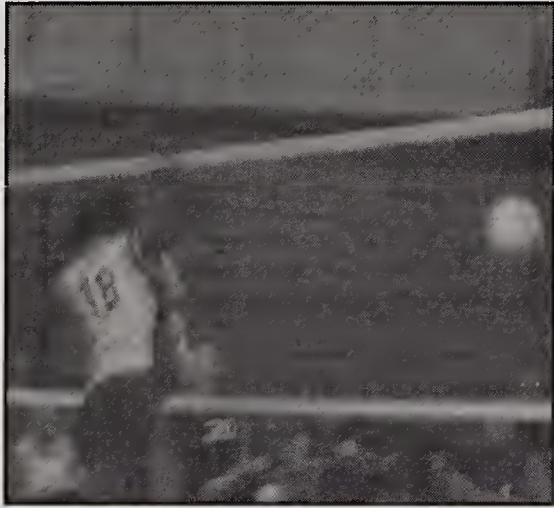

Girls Soccer

"Bend it Like the Beavers"

The coaches always encouraged the girls to do their best and they sure did... these girls are an amazing force on the field and made a great team! The Seniors were a driving force behind the team and provided excellent leadership and enthusiasm.

Getting ready to hit
a home run!

Fashion and Talent Show

"Zoolander"

So much hard work was put into the talent show by all those involved. It really ended up paying off because the night went great and was the biggest event happening in the whole North End! There was lots of great dancing, beautiful singing, and hot fashion show scenes to keep the night interesting. Above Taneka shows us what an incredible cat she can be in the "Animal" scene and we get a look at some of the amazing airbrushing that students wore for that fashion scene. Below pairs strutted their stuff for an "Urban v. Prep" fashion walk-off.

Fashion and Talent Show

"Zoolander"

Shelby and Kim wowed the crowd with their vocal performances and True Dancers had the audience on their feet as they showed everyone how it was done.

G-Clef was one of several special guests of the evening that made it a truly unique affair. They harmonized so well that the crowd fell silent for parts of their performance and they brought us all back with some old school hits.
